

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

LETTER OF TRANSMITTAL.

OFFICE OF INSPECTOR OF FACTORIES AND WORKSHOPS,
SECURITY BUILDING,

CHICAGO, ILLINOIS, December 15, 1906.

To His Excellency, Hon. Charles S. Deneen, Governor of Illinois:

DEAR SIR—I have the honor to submit herewith the fourteenth annual report of the Inspectors of Factories and Workshops for the year ending December 15, 1906.

Very respectfully yours,

EDGAR T. DAVIES,
Chief Inspector of Factories and Workshops.

530235

REPORT OF STATE FACTORY INSPECTOR.

To His Excellency, Charles S. Deneen, Governor State of Illinois:

GOVERNOR—In compliance with section 9 of the statutes creating the Factory and Workshop Inspector's Department of this State, I have the honor to lay before you on behalf of this department the fourteenth annual report of the work performed by the inspectors, and herewith make such recommendations for additional legislation as my experience in enforcing the law has shown, to be urgently required.

During the past year we made 62,018 inspections and of this number 5,435 places we inspected more than once. This required the inspection of all places of business in 215 towns in addition to the city of Chicago and the county of Cook. The inspectors visited all offices, laundries, factories, mercantile establishments, theatres, concert halls and places of amusement, stores and workshops, in each city inspected.

The greater part of the inspectors' time has been occupied in making inspections in Chicago and Cook county—this field naturally furnishes the greatest problems and requires the most careful and painstaking work. In Cook county alone 35,066 inspections were made. Herewith submitted in the publication of this volume are tables setting forth the number of inspections made and character of business, in each city and town in the State. Fifty-six thousand, four hundred and twenty-seven establishments in the State were inspected for child labor; 3,591 places were inspected for metal polishing wheels, garment makers, sweat shops, etc.

In the 62,018 inspections made the inspectors report having found 751,309 employes, of which number 596,062 were males over the age of sixteen years; 144,778 were females over the age of sixteen years; 6,569 were boys under the age of sixteen and 3,900 were girls under the age of sixteen years.

Last year (1905) the inspectors reported having found 11,755 children under the age of sixteen employed, which was 1.5 per cent of the total employes of the State. During the past year (1906) the inspectors report 10,469 children under the age of sixteen employed, which is 1.4 per cent of the total employes reported for various industries, and shows a reduction of 1,286 in the number of children employed this year as compared with last year. These figures are worthy of a

careful study when compared with the figures previous to the year 1903, because of the material and steady decrease in child labor resulting from the passage and enactment of the new child labor law, which went into effect July 1, 1903.

In 1902, the year previous to the enactment of the present child labor law, there were employed in this State, 19,225 boys and girls under the age of sixteen. This was 3.7 per cent of the total employes found at work in the various industries; whereas in 1906, 10,469 children have been reported at work, which shows a reduction in child labor of 8,756. This is a strong endorsement of the efficacy of the new law.

As is natural to suppose, the inspectors reported numerous violations of the law, but all violations were not prosecuted because of the policy of the department to waive prosecutions when violations inadvertently and unintentionally occur, and the error is immediately rectified when the employer's attention is called to the same by the inspector. I have appended hereto a table setting forth the number and character of violations found, number prosecuted and convictions obtained. Thirty-two convictions were entered for employing children under fourteen years of age; 426 convictions were had where children were permitted to be employed for more than eight hours a day; 400 convictions for employing children without age and school certificates; nine convictions were had for employing children at dangerous occupations and seventy-eight convictions where children were employed during the night contrary to the law which prohibits their employment between the hours of 7:00 p. m. and 7:00 a. m. Eighteen convictions were had for employing children in places of amusement where liquor was sold; seven convictions for failure to protect metal polishing wheels with hoods and blowers; two convictions for obstructing inspectors in the performance of their duties. Total number of cases tried, 973; some defendants having been prosecuted on several charges; total number of defendants tried and convicted, 434. Most of these convictions were had because of the fact that violations were either intentional or occurred through deliberate and repeated carelessness, or the establishment did not have a clean record with regard to previous inspections.

Hereto attached is the text of the child labor law, also the law to regulate the manufacture of clothing, wearing apparel and other articles, and the law to compel the use of blowers on metal polishing and grinding machinery.

In compliance with the statutes I desire to make certain recommendations for legislation, to the next convening Assembly, which my experience in enforcing the present laws and the study of conditions in the State convinces me that it is necessary for the welfare of the working classes and society in general, and for the good of the commonwealth, that laws combining the following subjects be enacted:

An Act to provide for the health, safety and comfort of employes in factories, mercantile establishments, mills and workshops in this State, and providing for the enforcement thereof.

An Act providing for the sanitation of food producing establishments, the health of the operatives, and the purity and wholesomeness of the products of such establishments, and providing for the enforcement thereof.

An Act to provide for the protection of persons engaged and employed in the construction, repairing, alteration or removal of buildings, bridges, viaducts and other structures.

An Act to regulate the manufacture, sale and transportation of clothing, wearing apparel and other articles in this State, and to provide for the enforcement thereof. (New sweat shop law.)

An Act to regulate the manufacture, handling and storage of high explosives. (To protect coal miners, quarrymen and laborers employed in canal and railroad construction.)

An Act to provide for the placing of low water alarms on steam boilers and providing for the enforcement thereof.

An Act empowering the State Factory Inspectors to secure information and statistics from various business and mercantile establishments within this State, and providing for the enforcement thereof. (This is to secure a complete up-to-date annual census of the industrial conditions and commercial statistics of the commonwealth.)

An Act to provide for the erection of fire escapes on buildings. (To provide better fire protection for school children and factory employes.)

An Act to provide for the protection of the public from fire, and provide for the enforcement thereof. (In theatres, public halls and places of amusement.)

An Act prescribing the manner of construction and alteration of theatres and other auditoriums and halls for public entertainments; prescribing the powers and duties of the chief inspector of the department of inspection in relation thereto, and providing penalties for violations thereof. (This bill will be introduced to take the place of the Chicago city theater ordinance, which was declared unconstitutional in the trial of the Iroquois defendants at Danville last spring. It will be drafted to apply to all the theatres that shall be constructed in Illinois in the future.)

An Act to regulate the construction and maintenance of tenement, lodging and boarding houses, and to provide for the enforcement thereof.

I shall submit in proper legislative form complete drafts of bills, so as to provide the members of the General Assembly with, not only recommendations by title, but afford the members an opportunity to state just what these recommendations really mean, by preparing for their consideration bills properly drafted, which in their various sections will cover all the points included in the above recommendations, the same to be amended or enlarged upon, as the members of the Legislature deem necessary.

Illinois is the third industrial State in the Union, and can well boast of its commercial prosperity and advancement, but it is a lamentable fact that while we have progressed most rapidly in building our industries and advancing commercially, we have neglected to keep pace with the times, by enacting that very necessary and much needed legislation providing for the health, safety and comfort of the working classes. Illinois is the only industrial State in the Union that does not have a statute upon the subject, and it is high time that the members of the General Assembly, who make our laws, should respond to the needs of the hour and enact legislation along the lines above recommended. so that the number of accidents—fatal and otherwise—which amount into the thousands, may be decreased and the health of the working men properly conserved.

Illinois has been derelict in providing general factory legislation, as well as providing proper and adequate machinery for the enforcement of such laws as the child labor law, sweat shop Act, and other minor factory Acts.

The Illinois State Factory Inspectors' Department should be re-organized, and the number of inspectors increased, and an adequate appropriation provided, if the commonwealth is to receive proper results through the enforcement of the laws now made the duty of the factory inspectors to enforce. The health and happiness of the men and women, boys and girls, who earn their livelihood in the various industries of this State, is a paramount issue at this time, and I would sincerely urge that the Legislature authorize the Governor to appoint a commission for the investigation and study of those diseases contracted in the various occupations. Such a commission should be empowered to draft bills and make recommendations upon the conclusion of their work, and through their labors much good must result. I herewith append a draft of a resolution, along with the other recommendations above referred to.

Last, but not least, I should recommend that legislation be prepared and introduced, providing that children between the ages of fourteen and sixteen years be required to either attend school or go to work, unless there is reasonable cause for their excuse from either.

Respectfully submitted,

EDGAR T. DAVIES,

Chief Inspector of Factories and Workshops.

OCCUPATIONAL DISEASES.

(HOUSE JOINT RESOLUTION No. 16.)

WHEREAS, The limited time at the disposal of the present session of the General Assembly is insufficient to take up, much less carefully consider the important subject of occupational diseases and diseases peculiar to the employment of persons in mercantile establishments, factories, mills, workshops, mining, railroading, electrical generating and construction; and

WHEREAS, The health and safety of the vast army of employ  s in such establishments is of the most vital importance to the general security and prosperity of the commonwealth; and

WHEREAS, It is well known that sickness, due to unwholesome conditions, is one of the chief causes of extreme poverty and distress, of the interruption of the use of costly machinery and other capital, of the destruction of the lives of men whose energies in health are a source of wealth to the nation and the support of dependent families, and thus becomes the occasion of immeasurable moral misery in the dread of apprehended trouble and the sorrow of actual bereavement; and

WHEREAS, It is known that very much of disease may be prevented or diminished by suitable means and co  peration of an enlightened public; and

WHEREAS, It is universally recognized as the moral duty of every civilized state to secure and publish information of vital importance to all citizens to promote safety and health, and to foster and regulate insurance against loss of income by accident and disease; therefore, be it

Resolved, by the House of Representatives, the Senate concurring herein, that the Governor is hereby authorized and requested to appoint a commission of nine members, to be composed of the State Factory Inspector, the Secretary of the Bureau of Labor Statistics, the president and secretary of the State of Board of Health, two reputable physicians and three other representative citizens of the State, who shall serve without remuneration, and whose duties shall be to thoroughly investigate causes and conditions relating to diseases in occupations, and to report to the Governor the draft of any desirable bill or bills, designed to meet the purposes announced in this resolution, for consideration and action by the members of the Forty-Sixth General Assembly.

Adopted by the House March 12, 1907.

Concurred in by the Senate March 20, 1907.

INSPECTION LAWS.

AN ACT to regulate the employment of children in the State of Illinois, and to provide for the enforcement thereof.

(Approved May 15, 1903. In force July 1, 1903.)

- Section 1. Child under 14 years.
- Section 2. Register required.
- Section 3. Wall lists required.
- Section 4. Age and school certificate required.
- Section 5. Age and school—how issued.
- Section 6. Proof of age required.
- Section 7. Employment ticket issued by school authorities.
- Section 8. Schooling required.
- Section 9. Duties of State Inspector of Factories.
- Section 10. Hours of labor limited.
- Section 11. Employments forbidden children under 16 years of age.
- Section 12. Presence of a child in an establishment to be *prima facie* evidence of employment.
- Section 13. Enforcements of the provisions of the Act.
- Section 14. Penalty.
- Section 15. Repeal.

SECTION 1. CHILD UNDER FOURTEEN YEARS.] *Be it enacted by the People of the State of Illinois represented in the General Assembly:* That no child under the age of fourteen years shall be employed, permitted or suffered to work at any gainful occupation in any theater, concert hall or place of amusement where intoxicating liquors are sold or in any mercantile institution, store, office, hotel, laundry, manufacturing establishment, bowling alley, passenger or freight elevator, factory or work shop, or as messenger or driver thereof, within this State. That no child under fourteen years of age shall be employed at any work performed for wages or other compensations, to whosoever payable, during any portion of any month when the public schools of the town, township, or village or city in which he or she resides are in session, nor be employed at any work before the hour of seven o'clock in the morning or after the hour of six o'clock in the evening. *Provided,* that no child shall be allowed to work more than eight hours in any one day.

§ 2. REGISTER.] It shall be the duty of every person, firm or corporation, agent or manager of any firm or corporation employing minors over fourteen years of age and under sixteen years of age in any mercantile institution, store, office, hotel, laundry, manufacturing establishment, bowling alley, theater, concert hall or place of amusement, passenger or freight elevator, factory or work shop, or as messenger or driver therefor, within this State, to keep a register in said institution, store, office, hotel, laundry, manufacturing establishment, bowling alley, theater, concert hall or place of amusement, factory or workshop, in which said minors shall be employed or permitted or suffered to work, in which register shall be recorded the name, age, and place of residence of every child employed or suffered or permitted to work therein, or as messenger or driver therefor, over the age of fourteen and under the age of sixteen years; and it shall be unlawful for any person, firm or corporation, agent or manager of any firm or corporation to hire or employ or to permit or suffer to work in any mercantile institution, store, office, hotel, laundry, manufacturing establishment, bowling alley, theater, concert hall or place of amusement, passenger or freight elevator, factory or workshop, or as messenger or driver therefor, any child under the

age of sixteen and over fourteen years of age, unless there is first produced and placed on file in such mercantile institutions, store, office, hotel laundry, manufacturing establishment, bowling alley, factory or workshop, theater, concert hall or place of amusement, an age and school certificate, approved as hereinafter provided.

§ 3. WALL LISTS.] Every person, firm or corporation, agent or manager of a corporation employing or permitting or suffering to work five or more children under the age of sixteen and over the age of fourteen in any mercantile institution, store, office, laundry, hotel, manufacturing establishment, factory or workshop, shall post and keep posted in a conspicuous place in every room in which such help is employed, or permitted or suffered to work, a list containing the name, age and place or residence of every person under the age of sixteen years employed, permitted or suffered to work in such room.

§ 4. AGE AND SCHOOL CERTIFICATE.] No child under sixteen years of age and over fourteen years of age shall be employed in any mercantile institution, store, hotel, office, laundry manufacturing establishment bowling alley, theater, concert hall, or place of amusement, passenger or freight elevator, factory or workshop, or as messenger or driver therefor, unless there is first produced and placed on file in such mercantile institution, store, office, hotel, laundry, manufacturing establishment, bowling alley, theater, concert hall or place of amusement, factory or workshop, and accessible to the State Factory Inspector, Assistant Factory Inspector or Deputy Factory Inspector, an age and school certificate as hereinafter prescribed; and unless there is kept on file and produced on demand of said inspectors of factories a complete and correct list of all the minors under the age of sixteen years so employed who cannot read at sight and write legibly simple sentences, unless each child is attending night school as hereinafter provided.

§ 5. AGE AND SCHOOL CERTIFICATE—HOW APPROVED.] An age and school certificate shall be approved only by the superintendent of schools or by a person authorized by him in writing; or where there is no superintendent of schools, by a person authorized by the school board: *Provided*, that the superintendent or principal of a parochial school shall have the right to approve an age and school certificate and shall have the same rights and powers as the superintendent of public schools to administer the oaths herein provided for children attending parochial schools; *Provided, further*, that no member of a school board or other person authorized as aforesaid shall have authority to approve such certificate for any child in or about to enter his own establishment, or the employment of a firm or corporation of which he is a member, officer or employé. The person approving these certificates shall have authority to administer the oath provided herein, but no fee shall be charged therefor. It shall be the duty of the school board or local school authorities to designate a place (connected with their offices, when practicable) where certificates shall be issued and recorded, and to establish and maintain the necessary records and clerical services for carrying out the provisions of this Act.

§ 6. PROOF OF AGE.] An age and school certificate shall not be approved unless satisfactory evidence is furnished by the last school census, the certificate to birth or baptism of such child, the register of birth of such child with a town or city clerk, or by the records of the public or parochial schools, that such child is of the age stated in the certificate: *Provided*, that in cases arising wherein the above proof is not obtainable, the parent or guardian of the child shall make oath before the juvenile or county court as to the age of such child, and the court may issue to such child an age certificate as sworn to.

§ 7. EMPLOYMENT TICKET.] The age and school certificate of a child under sixteen years of age shall not be approved and signed until he presents to the person authorized to approve and sign the same, a school attendance certificate, as hereinafter prescribed, duly filled out and signed. A duplicate of such age and school certificate shall be filled out and shall be for-

warded to the State Factory Inspector's office. Any explanatory matter may be printed with such certificate in the discretion of the school board or superintendent of schools. The employment and the age and school certificates shall be separately printed and shall be filled out, signed and held or surrendered as indicated in the following forms:

SCHOOL CERTIFICATE.

(Name of school). (City or town and date).

This certified (name of minor) of the ...th grade, can read and write legibly simple sentences.

This also certifies that according to the records of this school and in my belief, the said (name of minor) was born at (name of city or town) in (name of county), on the (date) and is now (number of years and months old).

(Name of parent or guardian).

(Residence).

(Signature of the teacher)grade.

Correct. (Name of principal).

(Name of school).

EVENING SCHOOL ATTENDANCE CERTIFICATE.

(Date).

This certifies that (name of minor) is registered in and regularly attends theevening school.

This also certifies that according to the records of my school and in my belief the said (name of minor) was born at (name of city) or (town), on the....th day of (year), and is now (number of years and months) old.

(Signature of the teacher).

(Signature of the principal).

(Name of parent or guardian).

(Residence).

AGE AND SCHOOL CERTIFICATE.

This certifies that I am (father, mother, guardian or custodian) of (name of minor), and that (he or she) was born at (name of town or city) in the (name of county if known) and state or county of on the (day of birth and year of birth) and is now (number of years and months) old.

(Signature of parent, guardian or custodian).

(City or town and date).

There personally appeared before me the above named (name of person signing) and made oath that the foregoing certificate by (him or her) signed is true to the best of (his or her) knowledge. I hereby approve the foregoing certificate of (name of child), height, (feet and inches), weight.... complexion, (fair or dark), hair (color), having no sufficient reason to doubt that (he or she) is of the age therein certified.

Owner of certificate. This certificate belongs to (name of child in whose behalf it is drawn) and is to be surrendered to (him or her) whenever (he or she) leaves the services of the corporation or employer holding the same; but if not claimed by said child within thirty days from such time it shall be returned to the superintendent of schools, or where there is no superintendent of schools, to the school board.

(Signature of person authorized to appear and sign with official character authority).

(Town, city and date.)

Illiteracy. In the case of a child who cannot read at sight and write legibly simple sentences, the certificate shall continue as follows, after the word sentences: "I hereby certify that (he or she) is regularly attending the (name of public or parochial evening school)." This certificate shall continue in force just as long as the regular attendance of said child at said evening school is certified weekly by the teacher and principal of said school.

Evening School. In any city or town in which there is no public or parochial evening school, an age and school certificate shall not be approved for a child under age of sixteen years who cannot read at sight and write legibly simple sentences. When the public or parochial evening schools are not in session an age and school certificate shall not be approved for any child who cannot read at sight and write legibly simple sentences. The certificate of the principal of a public or parochial school shall be *prima facie* evidence as to the literacy or illiteracy of the child.

§ 8. **SCHOOLING REQUIRED.]** No person shall employ any minor over fourteen years of age and under sixteen years, and no parent, guardian or custodian shall permit to be employed any such minor under his control, who cannot read at sight and write legibly simple sentences, while a public evening school is maintained in the town or city in which such minor resides, unless such minor is a regular attendant at such evening school.

§ 9. **DUTIES OF STATE INSPECTOR OF FACTORIES.]** The State Inspector of Factories, his assistants or deputies, shall visit all mercantile institutions, stores, offices, laundries, manufacturing establishments, bowling alleys, theaters, concert halls or places of amusement, factories or workshops, and all other places where minors are or may be employed, in this State, and ascertain whether any minors are employed contrary to the provisions of this Act. Inspectors of factories may require that age and school certificates, and all lists of minors employed in such factories and workshops, mercantile institutions and all other places where minors are employed as provided for in this Act shall be produced for their inspection on demand.

And, provided, further, that upon written complaint to the school board or local school authorities of any city, town, district or municipality, that any minor (whose name shall be given in such complaint) is employed in any mercantile institution, store, office, laundry, manufacturing establishment, bowling alley, theater, concert hall or place of amusement, passenger or freight elevator, or factory workshop, or as messenger or driver thereof, contrary to the provisions of this Act, it shall be the duty of such school board or local authority to report the same to the State Inspector of Factories.

§ 10. **HOURS OF LABOR.]** No person under the age of sixteen years shall be employed or suffered or permitted to work at any gainful occupation more than forty-eight hours in any one week, nor more than eight hours in any one day; or before the hour of seven o'clock in the morning or after the hour of seven o'clock in the evening. Every employer shall post in a conspicuous place in every room where such minors are employed, a printed notice stating the hours required of them each day of the week, the hours of commencing and stopping work and the hours when the time or times allowed for dinner or for other meals begins and ends. The printed form of such notice shall be furnished by the State Inspector of Factories, and the employment of any such minor for longer time in any day so stated shall be deemed a violation of this section.

§ 11. **EMPLOYMENT FORBIDDEN CHILDREN UNDER SIXTEEN YEARS OF AGE.]** No child under the age of sixteen years shall be employed at sewing belts or to assist in sewing belts, in any capacity whatever, nor shall any child adjust any belt to any machinery; they shall not oil or assist in oiling, wiping or cleaning machinery; they shall not operate or assist in operating circular or band saws, wood-shapers, wood-joiners, planers, sandpaper or wood polishing machinery, emery or polishing wheels, used for polishing metal, wood-turning or boring machinery, stamping machines in sheet metal and tinware manufacturing, stamping machines in washer and nut factories, oper-

ating corrugating rolls, such as are used in roofing factories, nor shall they be employed in operating any passenger or freight elevator, steam boiler, steam machinery, or other steam generating apparatus or as pin boys in any bowling alleys; they shall not operate or assist in operating, dough brakes, or cracker machinery of any description; wire or iron straightening machines; nor shall they operate or assist in operating rolling mill machinery, punches or shears, washing, grinding or mixing mill or calender rolls in rubber manufacturing, nor shall they operate or assist in operating laundry machinery; nor shall children be employed in any capacity in preparing any composition in which dangerous or poisonous acids are used, and they shall not be employed in any capacity in the manufacture of paints, colors or white lead; nor shall they be employed in any capacity whatever in operating or assisting to operate any passenger or freight elevator; nor shall they be employed in any capacity whatever in the manufacture of goods for immoral purposes, or any other employment that may be considered dangerous to their lives or limbs, or where their health may be injured or morals depraved; nor in any theater, concert hall or place of amusement wherein intoxicating liquors are sold; nor shall females under sixteen years of age be employed in any capacity where such employment compels them to remain standing constantly.

§ 12. PRIMA FACIE EVIDENCE OF A CHILD'S EMPLOYMENT.] The presence of any person under the age of sixteen years in any manufacturing establishment, factory or work shop, shall constitute *prima facie* evidence of his or her employment therein.

§ 13. ENFORCEMENT OF THE PROVISIONS OF THIS ACT.] It shall be the special duty of the State Factory Inspector to enforce the provisions of this Act, and to prosecute all violations of the same before any magistrate or any court of competent jurisdiction in this State. It shall be the duty of the State Factory Inspector, Assistant State Factory Inspector and Deputy State Factory Inspectors, under the supervision and direction of the State Factory Inspector, and they are hereby authorized and empowered to visit and inspect, at all reasonable times and as often as possible, all places covered by this Act.

§ 14. PENALTY.] Whoever, having under his control a child under the age of sixteen years, permits such child to be employed in violation of the provisions of this Act, shall for each offense be fined not less than \$5, nor more than \$25, and shall stand committed until such fine and costs are paid.

A failure to produce to the inspector of factories, his assistants or deputies, any age and school certificates, or lists required by this Act shall constitute a violation of this Act, and the person failing shall, upon conviction be fined not less than \$5 nor more than \$50 for each offense. Every person authorized to sign the certificate prescribed by Section 7 of this Act, who certifies to any materially false statement therein shall be guilty of a violation of this Act, and upon conviction be fined not less than \$5, nor more than \$100 for each offense, and shall stand committed until such fine and costs are paid.

Any person, firm or corporation, agent or manager, superintendent or foreman of any firm or corporation, whether for himself or for such firm or corporation, or by himself or through sub-agents or foreman or superintendent or manager, who shall violate or fail to comply with any of the provisions of this Act, or shall refuse admittance to premises or otherwise obstruct the Factory Inspector, Assistant Factory Inspector or Deputy Factory Inspectors, in the performance of their duties as prescribed by this Act, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined not less than \$5, nor more than \$100 for each offense, and shall stand committed until such fine and costs are paid.

§ 15. REPEAL.] "An Act to prevent child labor," approved June 17, 1891, in force July 1, 1891, and all other Acts and parts of Acts in conflict with this Act, are hereby repealed.

AN ACT to regulate the manufacture of clothing, wearing apparel and other articles in this State, and to provide for the appointment of State Inspector to enforce the same and to make an appropriation therefor.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That no room or rooms, apartment or apartments in any tenement or dwelling house, used for eating or sleeping purposes, shall be used for the manufacture, for sale in whole or in part, of coats, vests, trousers, knee-pants, overalls, cloaks, shirts, ladies' waists, purses, feathers, artificial flowers or cigars except by the immediate members of the family living therein. Every such workshop shall be kept in a cleanly state, and shall be subject to the provisions of this Act; and each of said articles made, altered, repaired or finished in any of such work shops shall be subject to examination and inspection, as hereinafter provided, for the purpose of ascertaining whether said articles or any of them, or any part thereof, are in a cleanly condition and free from vermin and any matter of an infectious and contagious nature; and every person so occupying or having control of any workshop as aforesaid shall within fourteen days from the taking effect of this Act, or from the time of beginning of work in any workshop as aforesaid, notify the board of health of the location of such workshop, the nature of the work there carried on, and the number of persons therein employed.

§ 2. If the board of health of any city or said State Inspector finds evidence of infection or contagious diseases present in any workshop, or in goods manufactured or in process of manufacture therein, and if said board or Inspector shall issue such order or orders as the public health may require, and the board of health are hereby enjoined to condemn and destroy all such infectious and contagious articles.

§ 3. Whenever it shall be reported to said inspector or to the board of health, or either of them, that coats, vests, trousers, knee-pants, overalls, cloaks, skirts, ladies' waists, purses, feathers, artificial flowers or cigars are being transported to this State, having been previously manufactured in whole or in part under unhealthy conditions, said inspector shall examine said goods and the condition of their manufacture, and if upon such examination said goods or any of them are found to contain vermin, or to have been made in improper places, or under unhealthy conditions, he shall make report thereof to the board of health, or inspector, which board or inspector shall thereupon make such order or orders as the public health shall require, and the board of health are hereby empowered to condemn or destroy all such articles.

§ 4. The words "manufacturing establishment," "factory," or "workshop," wherever used in this Act, shall be construed to mean any place where goods or products are manufactured or repaired, cleaned or sorted, in whole or in part, for sale or for wages. Whenever any house, room or place is used for the purpose of carrying on any process of making, altering, repairing or finishing for sale or for wages, any coats, vests, trousers, knee pants, overalls, cloaks, shirts, ladies' waists, purses, feathers, artificial flowers or cigars or any wearing apparel of any kind whatsoever, intended for sale, it shall, within the meaning of this Act, be deemed a workshop, for the purpose of inspection. And it shall be the duty of every person, firm or corporation to keep a complete list of all such workshops in his, their or its employ, and such list shall be produced for inspection on demand by the board of health or any of the officers thereof, or by the State Inspector, Assistant Inspector or any of the deputies appointed under this Act.

§ 5. Any person, firm or corporation who fails to comply with any provision of this Act shall be deemed guilty of a misdemeanor, and on conviction thereof shall be fined not less than \$3 nor more than \$100 for each offense.

AN ACT to compel the using of blowers upon metal polishing machines.

SECTION 1. *Be it enacted by the People of the State of Illinois, represented in the General Assembly:* That all persons, companies or corporations operating any factory or workshop where emery wheels or emery belts of any description are used, either solid emery, leather, leather covered, felt, canvas, linen, paper, cotton, or wheels or belts rolled or coated with emery or corundum or cotton wheels used as buffs, shall provide the same with blowers, or similar apparatus, which shall be placed over, beside or under such wheels or belts in such a manner as to protect the person or persons using the same from the particles of dust produced and caused thereby, and to carry away the dust arising from or thrown off by such wheels or belts while in operation directly to the outside of the building or to some receptacle placed so as to receive and confine such dust. *Provided*, that grinding machines upon which water is used at the point of the grinding contact shall be exempt from the provisions of this Act, and provided, this Act shall not apply to small shops employing not more than one man, in such work.

§ 2. It shall be the duty of any person, company or corporation operating any such factory or workshop, to provide or construct such appliances, apparatus, machinery or other things necessary to carry out the purpose of this Act, as set forth in the preceding section, as follows: Each and every such wheel shall be fitted with a sheet of cast iron hood or hopper of such form and so applied to such wheel or wheels that the dust or refuse therefrom will fall from such wheels or will be thrown, into such hood or hopper by centrifugal force and be carried off by the current of air into a suction pipe attached to some hood or hopper.

§ 3. Each and every such wheel six inches or less in diameter shall be provided with a three inch suction pipe; wheels six inches to twenty-four inches in diameter with four inch (such) suction pipe; wheels from twenty-four inches to thirty-six inches in diameter with five inch suction pipe; and all wheels larger in diameter than those stated above shall be provided each with a suction pipe not less than six inches in diameter. The suction pipe from each wheel so specified, must be full size to the main trunk suction pipe, and the main suction pipe to which smaller pipes are attached shall, in its diameter and capacity, be equal to the combined area of such smaller pipe attached by the same, and the discharge pipe from the exhaust fan, connected with such suction pipe or pipes, shall be as large or larger than the suction pipe.

§ 4. It shall be the duty of any person, company or corporation operating any such factory or workshop to provide the necessary fans or blowers to be connected with such pipe or pipes, as above set forth, which shall be run at such a rate of speed as will produce a velocity of air in such suction or discharge pipes of at least nine thousand feet per minute to an equivalent suction or pressure of air equal to raising a column of water not less than five inches in a U shaped tube. All branch pipes must enter the main trunk pipe at an angle of forty-five degrees or less, the main suction or trunk pipe shall be below the emery or buffing wheels and as close to the same as possible, and to be either upon the floor or beneath the floor on which the machines are placed to which such wheels are attached. All bends, turns or elbows in such pipes must be made with easy, smooth surfaces, having a radius in the throat of not less than two diameters of the pipe on which they are connected.

§ 5. It shall be the duty of any factory inspector, sheriff, constable or prosecuting attorney of any county in this State, in which any such factory or workshop is situated, upon receiving notice in writing signed by any person having knowledge of such facts, accompanied by the sum of one dollar as compensation for his services, that such factory or workshop is not provided with such appliances as herein provided for, to visit any such factory or workshop, and inspect the same, and for such purposes they are hereby authorized to enter any factory or workshop in this State during working

hours, and upon ascertaining the facts that the proprietors or managers of such factory or workshop have failed to comply with the provisions of this Act, to make complaint of the same in writing before a justice of the peace or police magistrate having jurisdiction, who shall thereupon issue his warrant directed to the owner, manager or director in such factory or workshop, who shall be thereupon proceeded against for the violation of this Act as hereinafter mentioned, and it is made the duty of the prosecuting attorney to prosecute all cases under this Act.

§ 6. Any such person or persons or company, or managers, or directors of any such company or corporation who shall have the charge or management of such factory or workshop, who shall fail to comply with the provisions of this Act shall be deemed guilty of a misdemeanor, and upon conviction thereof before any court of competent jurisdiction, shall be punished by a fine of not less than \$25 and not exceeding \$100.

1. The first part of the paper discusses the importance of the study of the history of the United States. It is argued that the study of the history of the United States is essential for a full understanding of the country and its people. The paper then discusses the various methods used by historians to study the history of the United States, including the use of primary and secondary sources, and the use of statistical methods. The paper concludes by discussing the importance of the study of the history of the United States for the future of the country.

Statistical Tables for the Year 1906.

STATISTICAL TABLES.

The following table will show the result of inspections for the year 1906:

Total number of inspections in the State of Illinois	62, 018
Number of places inspected for child labor	56, 427
Number of places inspected for child labor in Chicago and Cook county	35, 066
Number of places inspected for child labor outside of Chicago and Cook county ..	21, 361
Number of places inspected for metal polishing wheels	156
Number of cities and towns visited outside of Chicago and Cook county	215
Number of second inspections	5, 435
Employés in Chicago and Cook County—	
Number of males over 16 years of age	288, 482
Number of females over 16 years of age	108, 078
Number of males under 16 years of age	4, 684
Number of females under 16 years of age	3, 259
Total number of employés in Chicago and Cook county	504, 508
Employés outside of Chicago and Cook County—	
Number of males over 16 years of age	207, 580
Number of females over 16 years of age	86, 700
Number of males under 16 years of age	1, 885
Number of females under 16 years of age	641
Total number of employés outside of Chicago and Cook county	246, 806
Employés in the State of Illinois—	
Number of males over 16 years of age	596, 062
Number of females over 16 years of age	144, 778
Number of males under 16 years of age	6, 569
Number of females under 16 years of age	3, 900
Total number of employés in the State of Illinois	751, 309

The following tables show the increase in labor as compared with the number of inspections from 1893 to 1906.

	Places inspected.....	Men employed.....	Women employed.....	Children employed.....	Total employed.....	Per cent of children..
1906.....	56,427	596,062	144,778	10,469	751,809	1.4
1906.....	64,978	590,927	164,791	11,755	767,473	1.6
Increase.....		5,135				
Decrease.....	8,551		20,013	1,286	16,164
